

Pitch Count Rules

- A. Any player on a regular season team may pitch. (NOTE: There is no limit to the number of pitches a team may use in a game.)
- B. F-Minors (10), F-Majors (12), E-Minors (13U), E-Majors (15U), and Seniors (18U). A pitcher removed from the mound may return any time in the remainder of the game, but only once.
- C. The manager must remove a pitcher when the said pitcher reaches the limit for his/her age group as noted below, but the pitcher may remain in the game at another position:

League Age	16-18	105 Pitches per day
	13-15	95 Pitches per day
	11-12	85 Pitches per day
	10U	75 Pitches per day

Exceptions: If a pitcher reaches the limit imposed for his/her league age while facing a batter, the pitcher may continue to pitch until that Batter reaches base or is put out.

(NOTE 1) Intentional Walk: Before a pitch is delivered to the batter, the catcher must inform the umpire-in-chief that the defense team wishes to give the batter an intentional base-on-balls. The umpire-in-chief waves the batter to first base. The ball is dead.

- D. Pitchers league age 15U must adhere to the following rest requirements:
- * If a player pitches 61 or more pitches in a day, three (3) calendar days of rest must be observed.
 - * If a player pitches 41 - 60 pitches in a day, two (2) calendar days of rest must be observed.
 - * If a player pitches 21 - 40 pitches in a day, one (1) calendar days of rest must be observed.
 - * If a player pitches 1 - 20 pitches in a day, no (0) calendar days of rest must be observed.

Pitchers league age 16-18 must adhere to the following rest requirement

- * If a player pitches 76 or more pitches in a day, three (3) calendar days of rest must be observed.
- * If a player pitches 51 – 75 pitches in a day, two (2) calendar days of rest must be observed.
- * If a player pitches 26 –50 pitches in a day, one (1) calendar days of rest must be observed.
- * If a player pitches 1 – 25 pitches in a day, no (0) calendar days of rest must be observed.

- E. Each team must designate the scorekeeper or another game official as official pitch count recorder.
- F. The pitch count recorder must provide the current pitch count for any pitcher when requested by either manager or any umpire. However, the manager is responsible for knowing when his/her pitcher must be removed.
- G. The official pitch count recorder should inform the umpire-in-chief when a pitcher has delivered his/she maximum limit of pitches for the game. The umpire-in-chief will inform the pitcher's manager that the pitcher must be removed. However, the failure by the pitch count recorder to notify the umpire-in-chief, and/or the failure of the umpire-in-chief to notify the manager, does not relieve the manager of his/her responsibility to remove a pitcher when that pitcher is no longer eligible.
- H. Violation of any section of this regulation can result in protest of the game in which it occurs.
- I. A player may pitch in more than one game as long as the total pitches do not exceed the maximum pitches per day for the pitchers league age.
- J. In suspended games resumed on another day, the pitchers of record at the time the game was halted may continue to pitch to the extent of their eligibility for that day, provided said pitcher observed the required days of rest.

Example 1: A league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes on the following Thursday. The pitcher is not eligible to pitch in the resumption of the game because he/she has not observed the required three days of rest.

Example 2: A league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes on the following Saturday. The pitcher is eligible to pitch up to 85 more pitches in the resumption of the game because he/she has observed the required three days rest.

Example 3. A league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes two weeks later. The pitcher is eligible to pitch up to 85 more pitches in the resumption of the game, provided he/she is eligible based on his/her pitching record during the three previous days.

End of the season tournament

There will be no days of rest requirements during tournament play for the 13U thru 18U divisions. There will be no days of rest requirements during tournament play for **12U**, but will only be allowed to pitch a maximum of **70** pitches per game. **10U** will only be allowed to pitch a maximum of **60** pitches per game.
